Gentlemen :

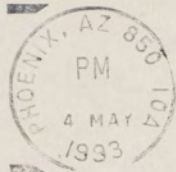

after viewing your program yesterday on milan
Panic - the dirty Serb - what are you people
trying to do? Brain wash the am people?
this dirty gypsy Serb was a decoy for mr
Milosevic; he was brought to Serbia just so
we would extend the time of their ethnic
cleansing, Rape & slaughter. He is a
liar. He'd cheat you out of your eye
balls if you'd let him. How do you
suppose this ignorance became a millionaire
in this country?

This man Panic was in Germany with my
husband before he came to this country. They
were in the same camp together. Why don't
you let my husband tell you the truth
about this bastard liar?

my father-in-law had his head chopped
off with a sword by these bastards.
Stop trying to brain wash the am
people. These Serbs will be ready to
take on america if we don't stop them.
They said so on C.N.N.

I have Rheumatism - excuse my writing) (
