

Dear Connie Brod,

I love all your Book TV programs.

As an old-timer, I know that William L. Shirer pronounced his name "SHY-RER." You and Barbara Hoffert both said "SHEAR-ER."

Roger Rosenblatt on The News Hour when William L. died, pronounced it "SHIRE." Listen to the old radio tapes and hear it from the man himself - William L. "SHY-RER"

From a devoted listener,
