Dear C-Span:

Enclosed please find a copy of a letter I recently sent to my Cable provider, requesting C-Span be given it's own channel, as it is only offered here from 6 AM through 6 PM, leaving our Elected Officials too much time out of sight in the evening hours, especially during a big vote.

Any help you could give in the way of assisting Warner Cable decide to give C-Span full time status, would be greatly appreciated.

Thank you for your time.

Sincerely,

Dear Warner Cable:

Please consider giving CNBC and C-Span their own channels - as some of the best programming is on in the evening (when you switch to VH-1 or Comedy Central) I am sure there are others in this area who would like to see this change occur. Perhaps a tele-poll or insert in the bill, of current subscribers, asking if such a change would be appreciated, could be used to gauge such an upgrade.

Thank you for your time and consideration.

Sincerely,
