Dears,

I am humbly beffig you If you Can answer this question or solve My problem for me.

I have written VOICE OF GERMANY once, and I asked them to send to me the history about the second World War and the Cause. They replied me, but they did not answer or send to me a book about the second world War.

That's why I decide to ask you If you can send to me the Book. I am a student and I want to do law. I want to know about the II World War and the Cause.

I hope you will do send me the book.

Yours Sincerely
