Re: Booknotes, 3/21/93

Dear Sirs,

Now I've seen the best interviewer, always Brian Lamb.  
and the best interviewee, Deborah Shapley, author of "Promise and  
Power"

Ms Shapley explores her subject with an intensity and  
thoroughness that amazes. She seems to be the epitome of  
fairness to her subject and to whole truth. Her ability to  
express her thoughts extemporaneously, with just the right amount  
of hesitation (thinking) and in an entertaining manner that  
captures your interest - one can only wish that such an honest  
person should have a top job in the Government. Ms Shapley has  
more to contribute to the good of the world than just a book,  
however good it is. We love books but we love brains and ability  
more.

Respectfully, sincerely  
and hopefully,
