Dear Brian Lamb,

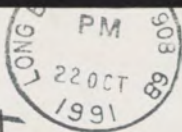

I was very glad to hear Anthony Lewis again. I have been a firm admirer of him for many years. Hope to read his new book.

I am ~~fraying~~ trying to recover from C-SPAN's thorough coverage of the Thomas Hearings. Thank you for all your efforts. I hope Specter, Hatch & Simpson are put out of office at the first opportunity! What vultures! What a disgrace to the Senate. And to our country.

Sincerely,
