I would like to express my appreciation to Sea Span for its programming. You have done well, but there is still room for improvement.

My complaints are as follows: 1. During the debate of the NAFTA Treaty, there were times that you chose not to air important hearings on NAFTA. Instead you chose to air insignificant events in lieu of NAFTA hearings. 2. You seem to have a majority of liberal reporters on your viewer call-in programs. Please show me that you are nonpartisan by having people such as Ralph Nader and Chuck Harter; representatives from such organizations as Common Cause, Public Citizen, NRA, Gun Owners of America and Environmental groups.

In conclusion, please prove to me that you are not controlled by big business by showing the remainder of Senator Hollings hearings on GAT - to be heard after elections.
