

dear C-Span). 6-11-97

Thank you for airing
Speaker Newt Gingrich's
national town meeting
Monday evening. I had
missed it over the week-
end.

I saw the Rep. Harold
Ford, Jr. show on Wednesday.
He gave a speech every
time he opened his mouth.
and got away with all
his false information.
I know you don't give
opinions but why not
call people on their
statements. Thanks -

O-WJ
