Brian

I hope you will take time to read this. Take a few minutes to think about it.

I live in a senior citizen apartment building. I've lived here 4½ years. My rent has increased every year I've been here.

This place is owned and operated by the National Church Residences of Ohio. Through the Dept of H.U.D. The N.C.R. has about 9000 units.

In 1991 H.U.D. gave N.C.R. a 6½ million dollar raise in Rent. My rent was increased 15%.

In 1993 H.U.D. gave N.C.R. 2 million more in increases. My rent went up 5% at the same time.

This cut the budget mean cut the poorest people first why not

cut H.V.O. give a way plan for
big corporation and Religion and tax
free foundations.

Here is my budget for this
year.

3% raise in Social Security 14.00
Per mo.

My hospital medical ins.	13.00	per mo.
Rent	7.00	" "
Phone	2.43	" "
Prescriptions	3.22	" "
total increases	25.65	
I received from S.S.	14.00	
my increased cost	11.65	Per mo.

This year it will cost me 11.65
a mo. more to live.

Why don't the news media T.V.
even C-Span. bring the truth to the
american people.

You have these news people on
that will talk about the Budget

always Billion here a billion there.

When the budget get passed in Oct
there be a billions some, then in Dec,
up come the money men with cost
over run to congress.

Of course the are gone at
fooling the public. By the congress
senate and Dept head, and New media
we get the public stirred up about
gays. If not the gays it abortion.

Sincerely
