Thank you very much for letting
me view the speech of Madeline M
O'Hair on this day. I wish I had
known it was on so I would not
have missed the beginning. I hope
it will be re-broadcast!

Sincerely,

P.S. Unfortunately it was
followed by a prayer at the
opening of a session of the governing
body of the U. States House of Rep.
over -

But -

It certainly is an illustration
of the concern Mr. O'Hair was
voicing so eloquently; as was
the Pledge of Allegiance, also
recited.
