Dear Friends
at C-SPAN,

I've been absolutely LOST
without my C-SPAN (and
my program newsletter) — since
last Feb. — when I left
W. Hollywood.

I had retired, so gave 6 mos.
volunteer service to Habitat
for Humanity (AKA the "Jimmy
Carter Project") — all over
the East Coast from GA → N. Eng.

NOW I'm "wintering" in Holy
Islands — a sort of reverse
"snowbird" — (from So. Cal. to Ark!)
in order to write my book.

Am so glad to have C-SPAN I,
but am amazed that a civilized
city like Toledo HATH NO
C-SPAN II !!!

Anyhow — I'm sure my subscription
for newsletter has expired meanwhile
(I had had it sent to my son
abroad in Canyon Country, CA — hoping
they would get HOOKED on C-SPAN!

Let me know.

Thank,

excutive®
(Sorry my typewriter broke!)
