

On 2-1-98, a man called in ^{and} said
polls are Wrong because C-Span viewers
hate Clinton. He is correct for three

Reasons. 1. Republicans Call on Democrat line
and say how much they detest Clinton.

2. Honest Republicans Call on 2nd
line & truly do hate anybody Democrat.

3. Most Independents are Republicans.

My friends (mostly Democrats) stopped
watching C-Span long ago because of
Anti-Anything-Looking-Like-A-Democrat
Motto. C-Span has become a huge
Corporation & does not have to account
to anybody for anything. I laugh all
the way to the bank with their
tax-free funds. I would ordinarily
sign my name, but why bother as
I know this note immediately goes
into the trash! A Former
Viewer!!!!
