Dear Brian Lamb,

You are absolutely wonderful, so fair, and tactful. It is too bad other networks are not like C-SPAN. I've been expecting them to wake up, and begin to improve.

I begin watching at 6:00 AM-MT. Recently I was in the hospital 15 days with pneumonia. There I was, on oxygen, coughing, gasping for breath, taking breathing treatments, and painful antibiotics, but watching C-SPAN. The nurses and aides laughed at me, but said it was probably good for me.

The Rush Limbaugh book on my bedside table amused them, too. My son sent it to me instead of flowers. I am a 74 year old conservative Democrat, who thinks he is great, and good for the country, at this time, because our President is a socialist. I voted for Eisenhower, Reagan, and Bush. Liberals are ruining our country.

I'm a disabled, retired teacher. I taught 21 years, second grade to college freshmen. I have 3 degrees, majored in education, minored in history and psychology. I've read many books about all our Presidents, and First Lady's autobiographies, and biographies. Believe me, we have never had such an immoral, dishonest, liar elected to that office before.

I was one of President Johnson's special reading teachers for black students. Two years I took leave, and was a social worker for the Welfare Dept. Believe me, the Great Society Plan has almost destroyed this country. If we don't get reform in Education and Welfare we will be bankrupt in 10 years.

Morals started to decline in the '60s and now after 30 years we have few left. They declared, "God is dead," and we see the result of that!

Keep doing what you do so well.

You are looking pale, are you alright?

Sincerely,
