

Dear Mr. Lamb,

I would like to extend my thanks to you for supporting my trip to Washington D.C. so I could participate in the Close-Up Washington Program.

I was able to experience government first hand and I realized how I can make a difference.

My meeting with Senator Kerry and Congressman Kennedy as well as my spending a day on Capitol Hill showed me how hard elected officials work in order to give my generation better opportunities. I hope that other kids can share this truly remarkable experience!

Sincerely,

[Redacted Signature]
