

Dear Mr.
Brian Lamb,

THANK
YOU!

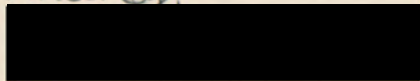

Thank you so much for giving me the chance
to participate in the Close Up program and to
visit our nation's capital.

Close Up made my first visit to Washington, D.C.
a fun and worthwhile experience. The
people and the activities created a warm and
inspirational atmosphere where it was easy
to learn.

I will remember this trip for the rest of my
life and I would encourage other students
to participate in the Close Up program in the
future.

Sincerely,

INDIGO BUNTING

The beautiful iridescence of this finch's plumage makes it a most arresting sight if seen in sunlight. He is about 4½ inches long and sings a simple song at the top of a small bush or tree. He is a winter visitor to Jamaica where he is becoming increasingly common.
