Dear Brian,

thank you for the many  
"Booknotes" I have enjoyed.  
I'm housebound a real a lot  
so of course your program steers  
me to good reading. I also enjoy greatly  
hearing the authors.

Tonight, I fear I had to write  
because in addition to Colman  
McCarthy who impressed me  
~~much~~ enormously, I heard the

interesting, interesting & informative  
conversation with George Wells  
David Halberstam, & David Mc  
Callough.

Thank you again,
