Dear Mr Lamb,

I am writing to you, after seeing your program this morning with your 3 journalist guests. As I hear almost 99% of your callers compliment your program for being THE MOST INFORMATIVE TV PROGRAM; I agree!

I have written to you before, at my old address of 6 MAPLE ST, Wore 01604, and would appreciate it if you would put my name on your mailing list for any information you have to help me to become a BETTER INFORMED CITIZEN OF THESE UNITED STATES and a more educated citizen of the FIRST COUNTRY IN THE WORLD to have FREEDOM & DEMOCRACY!

My wife and I have been married 38 years next month, and now have 4 grown children and grand children also, and we both want to help our children become better & more informed citizens also.

I have been watching another good TV Program Discovery channel especially ASSIGNMENT DISCOVERY on 9 to 10 AM as part of CABLE IN THE CLASSROOM.

Every problem we have we have in EDUCATIONAL and I want to participate in helping people become more informed. THE DISCOVERY CHANNEL HAS A AMAZING CALLER DISCOVERY for 15-YR; DS YOU EXPECT TO HAVE SOMETHING LIKE THAT ALSO HOPEING TO HEAR FROM YOU SOON, Yours Truly
