

C-Span
640 Capital St

My former excellent opinion of C-Span has been greatly
dimmed by noting recently that you are very heavy
on Republicans - having many more guests with
Republican viewpoints than Democratic, and often
interrupting or cutting off any criticism of "trickle down"
and conservatism. Let's have some fairness.

Susan smiles when hearing conservative views
and looks coldly when hearing more liberal
viewpoints, thus giving her own views
on what is being said.

Please remember there are millions of Democrats
in this nation. And C-Span should
stop trying to manage the outcome of
the elections.

Disillusioned Viewer

P.S. (Most of us have been overdrawn at our
banks at least once in the last 3 years.
Big deal! With the Republicans giving away
our national lands, ruining our National Parks
or trying to, running off with the S&L
funds and can't get excited over some
overdrawn accts.)
