

Dear Sir

Why is it we never see  
Bo Gritz on any shows or  
on any TV.

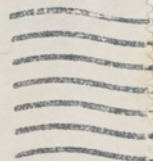

We see Bush and Clinton  
all the time, But Never  
Bo Gritz.

I know there are a lot  
of people that would love to  
here and see Bo Gritz also.

Is it Because they are  
afraid people would like  
what he has to say???

I do pray to God you will  
see it in your heart and soul  
that he gets the rite to be  
heard also. May God be with  
you,

From someone who  
cares and loves  
old people,
