

Bill Longdon, Tupelo, MS, called
again today, 5/14, at 8¹³ am. He
usually gives AL as his calling place
to disguise his chronic calling. He
called 5/10, 8⁵⁵ am, and 4/28, 8²⁴ am.
How long are you going to let this
man dominate the airways when
I hear callers say they tried for
seven years to get in? O.W. R
