(10/23/95)

Please - can't you do something about consistency in close-captioning of your excellent TV programs of BOOK NOTES?

Seems to be off some times and on at others. Sometimes on at the 6pm (CDT) show and off at the 10pm (CDT) show of the same program! As of yesterday!

As a deaf viewer who loves your "Book Notes" programs, I am vitally in need of captioning.

Please do something to always have captioning! Thank you!
