Dear Mr. Lamb,

I felt compelled to write to you to let you know I think you and C-Span are doing a fantastic job.

I've been on this earth almost 60 years and have been interested in politics, and have a great love for my country. I'm so grateful to be an American.

Lately I've grown deeply concerned about what's going on in our government. Our citizens are being dumbed down so they will vote into power people such as the Clintons, who believe big brother can spoon feed everyone. It's extremely frightening to me that

they can tell so many lies  
and no one calls them on  
it except for Rush and H. Gordon  
Liddy and a few others.

The fact is they are slowly  
taking our freedom away  
from us and they are very  
slick about it.

I'm aware you are not in  
a position to take sides, but  
much of the press & TV are  
helping the Clinton's agenda.

Regarding the calls you  
get saying you are not fair.  
I believe with all my being  
that these are staged calls.

Most of them sound as if  
they are reading. I'm certain  
these people have been put  
up to calling in as they  
mostly bring up Bush & Reagan.

<sup>The Clinton's</sup> They have a powerful machine.  
 In Russia, the Town meeting  
was staged. I feel on Larry

King line, the callers are  
payed to call in, as most  
are in to name calling and  
trying to convince people  
that Clinton is a victim.

Please don't think I'm paranoid,  
I was just wanting to express  
my feelings and let you know  
I support C - Spaw as you  
all are doing a great job of  
presenting both sides of issues.

Please don't let the under-  
mining of our freedom by  
this administration get you  
down. You are truly a light  
in this country's future.

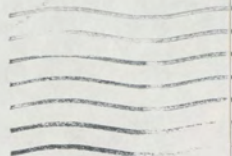

Sincerely,
