Dear C-Span,

APR 30 ANSD

I appreciate your putting the House of Reps. on TV. It should have been done years ago, before it was almost too late. I am a bit perplexed that these fine people are talking to a camera only. Where are the Reps.? And where can I get a "Magazine-Pagazine" printed in color, with all the reps. pictures in there, and their brief backgrounds (qualifications) (profession - lawyer, actor, medical doctor, etc.) And up dated lists of government addresses & department directors or managers? (And the "spectral concern" they are working on.) It would be nice

Do you also - if not, consider it - put the Government bands on TV? The different militarys have the finest of all musicians & we, the taxpayers, never get to hear them! They play so well, they bring tears to my eyes, and they don't make fun of talented, normal women!

I would like to know how to deal with three serious problems in the US.

- 1) People with private insurance getting medi care. Women with dead partners or single, who worried all their lives being REFUSED care - except commitment for insanity - if you want care, you are labeled "insane" "manic".

Sell Ma,  
All ABAMA! i

is he a rear?  
a homo?

Thornberg FUNDED Gay PRIDE WEEK + stuck it to all  
burgh the women, esp. WASP, + Methodists +  
(he funded sodomy)!! Catholics.  
& bisexuality

who killed  
his wife?  
the first  
one.

2) Terrorization, Harassment, SWATTING, + commitment  
of medicare patients who have been DISABLED  
by a doctor or pharmaceutical firms mediation.

Firms like Thompson, Hill + Knowlton, Ruder + Finn,  
Burston + Mausteel, Manning, Selvage + Lee,

including  
Killing  
family  
members  
+  
witnesses

Brooke + Co, Ketchum, Macleod + Gore,  
Doaremus + Co., Harshe, Ratman + Druck,  
+ Forte, Cone + Belding, Daniel Edelman.

Thompson is Hill + Knowlton. They are  
the worst. And largest. How many are run  
by The AMA + APA?

3) why in 13 years of making thousands of phone  
calls NOT hundreds, + wrote \$15-\$20 of  
letters a month for 13 yrs. did EVERYBODY  
ignore me? Including Geraldo who wrote  
me a vicious letter. Why was the vicious  
harassment coming from many, if not most,  
TV shows, I watched? And many of the  
talk shows I watched? The pain + hurt

attorneys  
won't  
help the  
disabled/or  
take payoffs  
under the table

and in  
13 god-  
damned  
years, I am  
given  
another phone  
number!

on top of my disability made me mute -  
it was so severe. I asked Don Ritter for  
help personally. He walked away from me.  
So did Phil Donahue. Dave Letter had me  
attacked! The terrorization is physical +  
helicopter, + all the media. A doctor in 2 yrs  
gets media help or laws passed against me (my prob.?)
