

Dear Brian Lamb,

Oct 1, 1996

Your show on C-Span every a.m.
is a farce with the 3 phone numbers.
Perhaps you haven't thought that
people calling in are deceitful pre-
tending to be of one party or another &
calling in on a diff # if they can't get thru
on the proper #. Many out here do not like
that deceitful format. It has happened
to competition to try & get thru.
