THURS.

O.W)
You are a riot - you can-
not hide your feelings - they
are so plain on your face. You
just had a young "R" rep - on
the program this morning - you
hated every minute of it!! It is
obvious that you are a liberal "D" - but
since you are supposed to let the public
speak + be on no one's side - it is sad
you can't do that. That lady is about as
bad - she is always hanging upon "R" +
then she says Opps! I cut them off.
give us a break. No matter what that
young man said this morning - your
face got so red + you'd say - we have
a call + if it was a "D" you would let
them talk + talk - it would be interest-
ing to see how much time are given
to "D" + "R" callers. It is obvious the "D"
get a lot more time. You really showed
yourself this morning though - it was the
worst you've ever been. And when you
have a women "D" - they go on + on + you
never shut them up. You should really
grow up - I just flipped the T.V. on again
+ your eyes are really glazed over w/ dis-
gust against "R"! SHAME ON YOU!
