Dear Steve,

We would like to express our sincere thanks for your coverage of Andre Marrou and the Libertarian Party. C-SPAN is widely respected, and it was a privilege to be featured on your network during the past months. We are working very hard to promote the Libertarian Party and it's philosophy. Appearing on C-SPAN was a great reward for our work during this election year. Thank you again for your support.

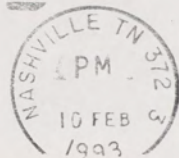

Sincerely,
The Tennessee
Libertarian Party
