I WATCH C-SPAN BECAUSE

I watch C-SPAN because  
it is my Happy Hour; in the company of legislators, other C-SPAN  
guests, a cup of tea and our elkhound-  
it provides "off campus" opportunities which are both educational  
and entertaining-  
it brings a multitude of issues which challenge and expand my think-  
ing-  
it enables me to assess the effectiveness, sincerity and speech of  
those who appear on C-SPAN-  
it forces me to read material related to many issues-  
it enlarges my correspondence; I have a reference file which includes  
letters from many legislators and others who appeared on our screen-  
it is nonpartisan; ex-Call-in guests-  
it provides material for spirited discussions with husband and others-  
IT MAKES ME AWARE OF THE ENORMOUS RESPONSIBILITY OF ELECTED OFFICIALS,  
APPOINTED OFFICIALS AND EACH CITIZEN.....OH, UNION STRONG AND GREAT!

Dear C-SPAN FRIENDS,

We, my husband and I, are Reagan agepeers. Unfortunately, he does  
not wish to spend hours with the television each day - listening to  
and watching members of the House of Representatives. However, we  
do have interesting conversations after my Happy Hour(s).

Many years ago, I was able to watch our legislators "on the Hill".

Again, THANK YOU for hours of uninterrupted (not always!) listening.

Sincerely,  
[REDACTED]

P.S. Not-so-incidentally - the world needs a Minnesotan in our White  
House; also, we should be seeing more of our Senators on C-SPAN.
