**C-SPAN WILL PROVIDE LIVE COVERAGE OF THE DEFENSE BASE  
CLOSURE AND REALIGNMENT COMMISSION HEARINGS.**

Washington, D.C., June 24, 1993 -- C-SPAN, the Cable Satellite Public Affairs Network, will air the hearings of the Defense Base Closure and Realignment Commission live Saturday and Sunday, June 26-27, 9:00 AM - 6:00 PM (ET).

The Defense Base Closure and Realignment Commission is considering recommendations from the Defense Department which would cut military spending through the elimination of unnecessary facilities.

These recommendations include the closure of 31 major bases, and changes in 134 other installations. Proposed cuts would result in savings of an estimated \$3.1 billion, but could also lead to the elimination of jobs for 24,000 military personnel and 57,000 civilians. The commission has added another 73 bases and other installations to the list for consideration, and must submit an independent set of recommendations to President Clinton by July 1, 1993.

C-SPAN is entirely funded by America's cable television companies as a public service. C-SPAN is currently available in 59.3 million households nationwide and worldwide via satellite.
