Dear Sir -

Reference your program of this morning with Mr Matthews. reference was made to a "conspiracy".

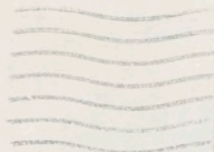

Would suggest you take note of the following.

at Democratic convention Clinton referred to Carroll Quigley as his favorite professor. Prof. Quigley wrote "Tragedy and Hope. A History of the world in our Time". published in 1964 by MacMillan and since suppressed. Mr. Quigley stated the facts on the "conspiracy" and endorsed it. See page 958 of his book.

Read the book, you will have a new outlook on what to expect for our future.

Sincerely
