Gentlemen.

We'd like to receive C-Span 2 as well as 1 received,
as it's not carried in this market (C-Span 2)

Local station news coverage here is poor at
best, with WKW at the top. (Best)

Local Cable service is off their every time
we have a thunder storm

Much improvement needed in the New Orleans
market. Am also writing local Cable. Many
thanks for C-Span 1 and hope for C-Span 2
