I thought David Bonior's
2-hour stint a few days ago
was an anomaly. But apparently
you have thrown out the
principle of balance on your
program, and have reduced
Washington Journal to a propa-
ganda machine. The single-
guest format is a complete
waste of my time. So long,
C. Span. It was nice while
it lasted.

Whose brilliant idea
is responsible for this

change? You owe your
views an apology.

Sincerely,

Austin, Texas
