## O-BOOKS

R2: Chicago Humanities Festival  
on Booknotes 22 Dec. "Biographies"

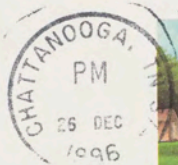

You wonder why voters are  
so bored and disconnected,  
the above is a good illustration.  
A bunch of "good ole white boys"  
(with exception of Patricia Beard)  
discussing "good old white boys"  
(former presidents), who cares?  
Only half the seats in the  
audience were filled - which  
ought to tell you something!

C-SPAN needs to wake-up!

The stranger hold and in-  
fluence of "good old white boys"  
is going out the window but  
C-SPAN doesn't appear to "get it".

\* C-SPAN is getting good at  
Brown-washing the media, now  
it is even working on the 2nd  
generation! Week of 7-14 Dec 96  
was "Hume week" - Sandy Hume  
Brit Hume, Virginia Hume! But  
this overload? And don't forget  
David Gergen (Arlene Chave) and  
Bob Casey Jr. Washington Journal  
is becoming C-SPAN's ploy to ensure  
future favorable media coverage.  
It's truly obvious - no one is fooled.
