

Mr Lamb

I watch Accuracy & the Media 5/17/93
on C-Span, with a Reed Irvine, an
a friend of his called Cliff, I'm an
Irish Cath. Middle Class American, I
raised two children who are both married
with families, How you could allow such
hate mongers to spread there venom on
your station is unbelievable, It's not
only against gay's I watched this group
spread hate against other minority groups
in our Country, these people hate any-
one who isn't in the sex figure
bracket, I can assure you his weasel
friend Cliff, Reed's puppet didn't
volunteer for Iraq I'd bet anything
he wasn't in Viet Nam, I'm a Korean
Veteran I can honestly say are platoon
sgt. Was gay we all knew it, he fought
in world war two and the Korean War
he had the silver star and two Purple
hearts, and Reed Irvine and his weasel
Cliff Couldn't shine his shoe's
I was proud to serve under him, You
should be more selective who you allow
to use your station, I called and told
you I could be President if I had the
money to Campaign.

Thank You

P.S. I wrote them two
Weasel's Reed and his
Puppet Cliff
