You constantly tell us what
party the politicians belong to
Don't we have a right to
know where the media,
where the study groups
are coming from also?

The objective press is
your own King's clothes (Hans
Christen Anderson)

Please state Washington Times
= Right Post = left Beltway
may know but boondocks doesn't.
what is your spin?

I would like to know why
Mrs. Fitzwilliam, Bush son
SfH, his brother Prescott
and Dan Quayle cocaine
aren't issues At least
requiring more investigation
than Bush's son asking
"Daddy is it true?"

People can't judge the
character issue till both
sides character is examined,
Don't give us Kick Clinton
than in the fall say "we're
above it all" and leave
Bush's character to the gods
to judge.
