

James Stewart & his book Blood Sport  
have been widely interviewed on  
radio talk shows & T.V. I have  
just finished reading Fools for  
Scandal by Gene Lyons. I would  
like to hear Mr. Lyons on  
Book Notes & an interview on  
your morning program. Why  
are all the networks afraid  
to hear him out? At. wrap talk  
shows will never mention  
his name. S.B.K.
