This morning I watched the CSPAN program on the 9th President of the USA! One caller stated that she had been told that the Word OK. originated with 'O.L.D.'s Korrekt! Historian Joseph E. Holloway reports that OK. is an indigenous West African Word brought to America by the Wolof People in the 17th century A.D. For More information read "Africanisms In American Culture" (by Joseph E. Holloway) Also "The African Heritage OF American English" (by Joseph E. Holloway).

If you chose to
do series on these topics
as well as African-Americans
in Science, Invention and Medicine,
let me know when they will air!
