Dear, Dear Brian Lamb,

I DO THANK YOU for asking Joel Krieger, editor, "Oxford Companion to Politics of the World" about the Bilderberg Group, the Trilateral Commission, and the Council on Foreign Nations.

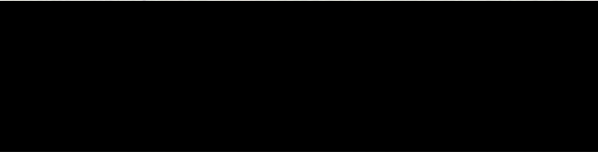

We both knew you would get a non-answer, but I am one of the many who have written to you about them.

It was announced just after the BOOKNOTES broadcast that C-SPAN would show an award ceremony at 2:35 a.m., but I did not wake up to watch -- and after "Road to the Whitehouse", the announcement had been canceled! No surprise there! *

Now that USA TODAY printed the item about the new look for FOREIGN AFFAIRS, the magazine for the Council on Foreign Relations, my relatives will no longer think I am some sort of a nut.

Just wish the whole USA would wake up!

Thanks again,
