

Dear Brian Lamb, 23 MAY '99
Almost every day I compose a
letter of thanks to you about
something I've been able to see
and hear and know about be-
cause of C-SPAN + C-SPAN 2.
Book TV is a treasure, added to
BOOK NOTES, Beyond Price. Today
it was the tribute to MIKE ROTHKO,
televised in Chicago. What a gift
to those of us who couldn't have
been there!

There is no new way to say
thank you; but I wish there
were something I could give
you. I have only my gratitude,
forever.
