Re: Ms. Liefer from Christian  
Science Monitor. **O.W)P**

How frightening that this person  
discusses President Clinton with  
his PASTOR and then she  
repeats what he said. Can  
we not trust our PASTOR?

You people won't have any-  
body to ridicule when Clinton  
is gone cause you have started  
your campaign to get Geo. W.  
Bush elected - hope you  
attack him 3 hrs. every day.
