

Hi; What a joy; what "TV" is for! Lets  
SEE MORE U.N. (United Nation) coverage?

REMEMBER: PRES. T. JEFFERSON, the HEART &  
H.D. THOREAU is the SOUL of AMERICA!

\* "A little rebellion now & then is a good  
thing." T. J. 1787 - \* "WE ARE RAIN & SNOW  
(Earth people) on this JEM (Planet)." H. D. T.  
(par-phrased) 1854? - Also, Tyranny makes  
people easy to lead; Democracy will make  
it hard to govern, but NEVER will it  
enslave us. [REDACTED] 1990
