Dear Mr. Lamb:

Thank you for your wonderful coverage of the German situation

We were in Germany in March, and I visited my father's home village in Thuringia, which he left in 1880 to go to America as a Lutheran missionary. He served one congregation in Detroit for 56 years.

I thought you might be interested in the translation of the sermon we heard on 11 March. I take the liberty to enclose a copy.

Sincerely,
