Dear C-SPAN

I want to thank you for your wonderful coverage of events. I'm now watching A. Leon Higgenbotham Jr. for the second time today on Clarence Thomas. It's so seldom in these days to have someone this honest and straight forward. If all the speakers ~~who~~ <sup>were</sup> like him I'd tune my TV to C-SPAN and pull the knobs off to keep it on all day.

I enjoy the early morning call-in shows. It lets me know what is going on around the country. It is not difficult to call out Rush Limbaugh's right wing dingbats who call in trying to push his views.

Keep up the good work & don't know what I ever did before C-SPAN. Maybe we can call that B.C., before C-span.

I hope you could have Judge Higgenbotham on your call-in show. He would be great

Thank you
