

June 6, 1992

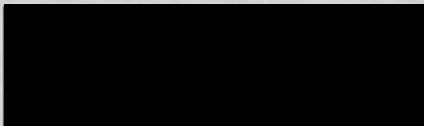

Brian -

My wife and I have recently become
a fan of yours and C-SPAN.

For 36 years, I had thought that
this boy was my son - 

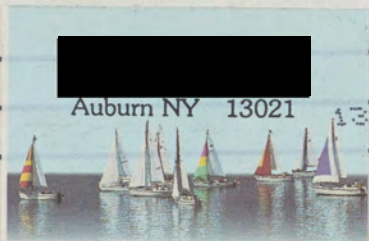

Many friends have suggested his
resemblance to you. Here's a
picture of Rick, his wife and new
son at a christening early April
of this year.

I thought the picture might be of
interest to you.
