

Dear C-SPAN,

AT LAST!

4-17-92

You are just the channel America has been waiting for and are doing a wonderful job! Thank you so much.

PLEASE pump up your advertising on EVERY other channel TO INFORM the public that YOU cover CONSTANT ELECTION CANDIDATES VIEWS. No one knows HOW to vote unless they OBSERVE THE REAL FACTS ON C-SPAN because they are so mixed up! Make an ad saying:

Don't know how to vote? Simple solution! SEE C-SPAN FOR THE EXACT TRUTH STRAIGHT FROM THE CANDIDATES THEMSELVES...24 HOUR HANDS ON COVERAGE. DON'T FALL FOR THE RUMORS. SEE THE FACTS NOW! WE ARE THE ONLY STATION WHO COVERS THE TRUE FACTS OF PROFESSIONAL NEWS REPORTING BY LETTING THE CANDIDATES SPEAK THEIR PLANS EXACTLY! WE DO NOT SUPPORT CUTTING, SPLICING, HIDING, DISTORTING OR MISREPRESENTING A CANDIDATES TRUE WORDS. WE SIFT OUT THE RUBBISH FROM THE TRUTH. (AND SHOW SILENT PICTURES OF THEM ALL SHAKING THEIR FINGERS & FISTS.)

Also, thank you for showing us the truth about Jerry Brown. Those other channels spread lies about him to keep him down, they distorted his plans, his ideas, his brilliance, his integrity, and his flat tax. These other stations said his tax plan was no good, would not work, would hurt the poor, and help the rich...BUT THEY NEVER BOTHERED TO EXPLAIN PRECISELY WHY. They promoted lies which cost Brown PLENTY. The ones who said all this rubbish so happen to be the leading corporate empires who LIKE the loopholes and dislike letting Brown properly tax them.

You are CORRECTING APATHY for the public by following candidates around closely. You are PROPERLY CONVEYING the truth to the public by letting it come straight from the candidates mouths! There simply is NO finer way to run a news station. The TRUTH from the horses mouths is ALL we ask. We hate lies, misrepresentation, and the promotion of scandal by false accusers hiding faces. You allowed Brown to tell the truth on his Wednesday's Road to the White House (in Pennsylvania.) It was great! Keep showing it OVER & OVER on prime time...5-10pm. Most brilliant people ARE mistaken for weirdo Poindexters because they aren't socialized and are such serious goal setters with quick brainy sharp shooting straight talk that they don't even think about flashing smiles, cracking jokes, or singing silly songs. They haven't time, they mean business.

That jerk of an ex mayor of N.Y. stated on ABC National news that "Brown is a weirdo." This stuff, completely inaccurate, should NOT be allowed on television AT ALL. It is pure rubbish designed to keep one down on their face. YOUR station sifts through the rubbish and informs us of what is REAL. We aren't idiots, we can SEE the difference in TRUE PROFESSIONAL NEWS REPORTING. YOU ARE TRULY A STATION FOR THE PEOPLE TO BELIEVE. All the other rubbish reporting is contradictory, confusing, and makes people all mixed up to the point where they get the STRONG ODOR of constant lies and they do NOT know which way to think or BELIEVE. This rubbish news is responsible for the APATHY and low voter turn out. You give us the REAL THING. CNN WASTES OUR TIME showing us the English elections, the floods in Arabia, and the dog who can climb trees! Then, they show us (after waiting ½ hour) about 5 lousy seconds of half sentences of our future candidate leaders! KEEP UP THE FINE WORK C-SPAN! PLEASE DO ADS ON EVERY STATION! NOW!
