

C-SPAN: Of the liberals, by the liberals, and for the liberals. Isn't that what C-SPAN is? Why won't C-SPAN cover the national pro-life rallys? Last year, you claimed that "most of our programming on January 22 concerned the situation in the Persian Gulf." So what is your excuse this year? While you could show a speech of Gen. Powell that had been recorded earlier, you couldn't show even one recorded speech from the March For Life? Why not? Isn't it true that you just don't want to cover this issue unless it is a pro-abortionist speaking to a bunch of liberals?
