Dear Mr. Lamb,

I was pleased that C-SPAN covered ex CIA official John Stockwell. The major networks seldom give time to people working to expose the basic flaws in our system. The media generally functions to reinforce the assumptions we proceed upon & therefore becomes part of the problem.

MORMON TABERNACLE CHOIR
TABERNACLE ORGAN
Its a contribution. Thanks

The nationally acclaimed Mormon Tabernacle Choir is home Salt Lake City. Its weekly broadcast from the Tabernacle Temple Square is the oldest coast-to-coast program on the radio. The 350-member choir, formed 125 years ago, regularly tours the country. Public organ recitals are conducted on the great organ in the Tabernacle. The Choir sings each Sunday morning in a performance that lasts 30 minutes beginning at 9:30. The public is also invited to the Choir rehearsals Thursday evenings. Photo: © L.D.S.
