Brian - Here's a few
comments regarding the
election of 96 - the
Republican Party - Bob Dole
Kaley Basler etc and
how C-Span comes across.
relative to all of this.

1. I think it has become
apparent to all of your
viewers by now (and you
can tell by the comments
coming in) that C-Span
feels it has an obligation

to propel and publicize the Republican Party's efforts to elect a new President in their campaign for 1996.

2. Obviously Tony Murphy has used his friendship with Pat Buchanan to further this particular effort along on program.

3. I suppose this abuse in foot peddling for program is now beginning to back-fire on the joint efforts of Spon and the Republicans.

For example there is now a movement under-foot to "Get off the Dole" in my neighborhood. (That's Bob Dole to be sure!) We are getting

the flyers out to all the shopping malls and contacting relatives and friends in other states. We just don't want Presidential campaigns to start 3 $\frac{1}{2}$ years before election. So every time (Dale) he comes on the tube we'll turn him off.

And so it goes for all the other phony rhetoric that C-Span and the Republicans want to show on C-Span ~~news news~~.
viewers.

In closing - I would like to say that I love my country - and I feel that President Clinton is absolutely doing the best with the world

of what he has inherited.
 No-one wants to pay
 taxes but I don't want
 this country to go down
 either - and I worry
 about my five grandchildren
 being able to cope with
 the ashes and ruins of
 of what has been a
 great democracy - in
 the event we don't bring
 this deficit down. And
 there's a lot of us out
 here that think this way.

I also plan to
 write the election
 Commission and other places
 to see what can be done
 about the situation at
 O'Span. We're working on
 it.
