Dear Brian,
you are still my favorite
Irishman, but I was horrified
when you quoted from an
article in the Baltimore Sun
about the Eisenhower Center in Kansas,
you closed by saying "it was
written by a fellow out there
(I presume you meant Kansas)

2.

but I can't find his name."

It was written by ~~the~~ Stephanie
Simon who earned her wings
at the L.A. Times.

It's not like you to be so cavalier
about your sources by presuming
the writer was a "he."

All is ~~for~~ forgiven and I have
rewritten to Stephanie to soften the blow.

Have a healthy, happy New Year.

Sincerely, ██████████
