Dear C-Span

Thank You for your broadcast
of the Conventions - Loved both
of them - Watched from morning
to late at night -

I'm 68 years of age, retired
white, divorced, Republican
care giver to a 93 year old
Mother - Mother, Grand Mother
and Great Grand Mother -
5 generations of women.

No longer watch ABC - CBS
or NBC - and now CNN because
the news is slanted!

I have stopped my subscription
to the Flint Journal here in
Flint Michigan because it is
geared to words the black
Democratic person living in their
town!

Do you have a suggestion of
a newspaper that is not
biased? Or perhaps C-Span
would like to publish a daily

Newspaper

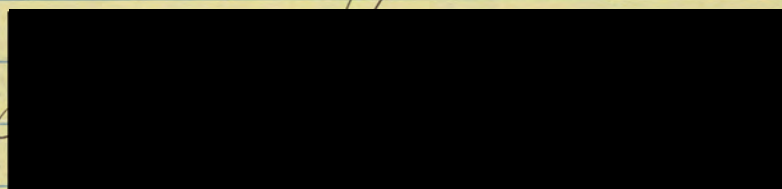

Without C-Span where
would people like me turn
to for the news?

Enclosed please find my
pet project -

When I was working (1942-1986)
I didn't have time to understand
elections properly - Now I do

Sincerely

P.S. Love and use my

1992 U.S. Congress Handbook
