 Saint Nicholas, AKA Santa Claus
 & The 3 Kings, AKA The Magi & The Three Wise Men

The 3rd of August, 1993

Most Reverend Santa Claus, & Three Wish Men;

I am sending you my Christmas wish list very early to give you extra time to make them come true. These three wishes I dedicate to a Saint, (she needs a Canonization Ceremony - this is the extra-wish, above & beyond the three I am about to request.) and for the Bambino Divino.

These are not selfish gifts, but for the betterment of mankind. Please give them extra attention to fulfill. You are the patron saint of children & protector of the innocent & the wronged; & can help.

#1 In the absence of my 1st gift, the indifference of suppressed silence without reverence to morals, the future of children, history & culture will continue to overshadow communities of the world.

Children will grow into adulthood in a vacant recollection of sirens, traffic noise, traffic accidents, and meaningless chatter, as the impressionable sounds of their youth, neighborhood, & culture of their community.

#2 Denial of my second gift will unfold into generations of lost adults without allegiance, family unity, genuine love, and a lack of respect and appreciation of true motherhood who give birth to their own true children and newborn babies. This ruinous cycle against childhood innocence & maternal rights is the foundation for the destruction of a civilized society and alienation of the human body & soul.

#3 Not receiving my third wish will account for the entrenched structure of corruption within the government, churches & all branches of society strengthening in authority to inflict persecution of all that is moral & good. This beast's insatiable hunger for men, women & children to martyr, then feed from these holocaustic systems & programs will escalate it's stranghold into the essential and vulnerable population. Patronizers, justifiers and financiers will do greater malice with perverse intent. Children such as I, newborn bambinos, women who labor to birth and men who toil daily for their families are at the mercy, and the victims of this beast. Leaders of the nation will continue to be the ridicule, mockery, & disrespect of corruption for funding this inexorable destructiveness to God, Country, & the Family. This downward spiral of societal deterioration has already attained historical distinctiveness of uncivilized nations. Soon, all that is good will be misrepresented, stupefied, mutilated, dead or vacant.

In 1992, I wrote to you, some letters with my Christmas Wish, but I was forgotten. Please call upon Angels to help you fulfill these wishes, especially the Canonization of my Saint who suffered much.

Here are my three wishes: ① Please restore the ringing of the Bells for Holy Trinity and other churches. When they ring, it is as though hope for a better day, knowing someone is at Church praying, & still others in preparation to attend. The Bells remind us to be thankful for what we have, meditate, & bestow a silent prayer for our loved ones & for ourselves for guidance & protection by our Heavenly Patrons. ② My 2nd request is to return all children to their true & loving Christian birth mothers. Heal the children who have been hurt for profit, & re-unite the broken families. ③ Finally, shut down the entire existence of social services & human health services. They profit from children such as I, so they make us orphaned.

Asking for the blessing from Three Kings & Saint Nicholas, I am respectfully yours, & for the glory of our Bambino Divino.

To: Our Lady of Victory
c/o Saint Nicholas AKA Santa Claus

This 3rd day of August, 1993. Celebrating the saints of the
Day, St. Lydia, St. Nicodemus, Geoffrey De Laudaun,
Blessed Peter Dymard & St. Stephen

Salutations Most Holy Lady of Victory & Saint Nicholas,

It is in lament, that I, your most humble servant, petition for your attention, & beg you take heed to these my words, that I bear witness to these crimes. America is on the verge of being usurped by communism. Peace, sanity, intelligence, truth & order have been sabotaged. The world did not convert from sin & error. As forewarned, martyrdom & heinous consequences have come to pass upon the most innocent & helpless populations. Administered by heathen judges, the courts of satan have taken over the United States. Injustice is the standard foundation of inequity & misdeeds executed by Mothers & Fathers of Lies, & Masters of Deceit. In a fraud of benevolency, social services & human resources have created & proclaimed mandates of necessity, protectiveness, & confidentiality. All that is of God, Country, Family & Children has been desecrated, defamed, destroyed and usurped. Pandemonium of demonolatry, cunning lies, theft & fraud are so entrenched as the dominant culture, that, those who speak in truth & toil in earnest, suffer chastisement, humiliation, imprisonment & death.

As the least of your children, I make an unpretentious supplication for urgent intervention, & triumph of this evil jurisdiction over the natural & supernatural laws of humanity. Please enlighten the veterans of communist persecution to come forth & assist the victims of this holocaust. The times of today are worse than the death of Christ Crucified. Unborn & newborn infants, pregnant women, birthing women, small children, the youth, & the honest working man, has been made the daily supply for pagan sacrificial embodiment through a sophisticated network of stealth & brutality within the social, economic, political & moral infrastructures. Christian women in birth have become the prey of social worker nurses, doctors & lawyers of evil intent. Through medical, physical, psychological, chemical & emotional abuse, an infant massacre is at hand. These acts are made unaccountable through the creation & malicious manipulation of false histories, marriage birth & death certificates. Vain women w/ barren wombs have declared fraudulent dominion & maternity over Christian women in pregnancy or in birthing labor. Angels of the Kingdom are being tortured.

Children spared death are made barren for sexual exploit, made ignorant or mutilated for the social service industry. Those left fertile are bred as animals, raped & sodomized. Staged abandonment or orphaned in fraud, or stolen children are auctioned as slaves by court demons. Innocent Christian parents weep for their children or are murdered to elimate witnesses or reclamation for accountability. All that was good has been stolen, destroyed & interpreted for the benefit of the arrogant Mothers & Fathers of Lies & Evil. Please guide this message to those who will understand, & inspire those guilty of the sin of silence to come forth. Release the hand of God to punish those meriting the wrath of God, & convert those of God. Asking for your blessings, & in the honor of professing myself with the most profound respect & humble servitude respectfully for the Bambino Divino. — The Little Drummer Boy —
